We are Artists! St. Helen's Art Week astounds all.

We are Artists! St Helen's Art Week astounds all.

Sophia

At St Helen's we have been doing Art. In my class I am making a bag. I am going to make it a ladybirds. It is fun. At home I drew a picture of Vincent van Gogh's flowers.

Ernie

Art week was so much fun. We used paint, glue and got messy hands too! My favourite part was cutting and sticking. We put our art on the wall and it looked like a big bright rainbow. I love being an artist!

Remembering Pope Francis and Celebrating Pope XIV

Pope Leo was chosen to be the head of the Catholic Church in 2025. He is the first Pope to have been born in America. Pope Leo is also a Peruvian and his favourite game was tennis and he has two older brothers, Pope Leo's mission is to bring hope to the Catholic Church. Pope Francis was born in Argentina. He was a huge soccer fan. He was the 266th Pope. It was the first time the name Francis has been used. He chose the name in honour of St Francis because he was a lover of the poor.

Jenica

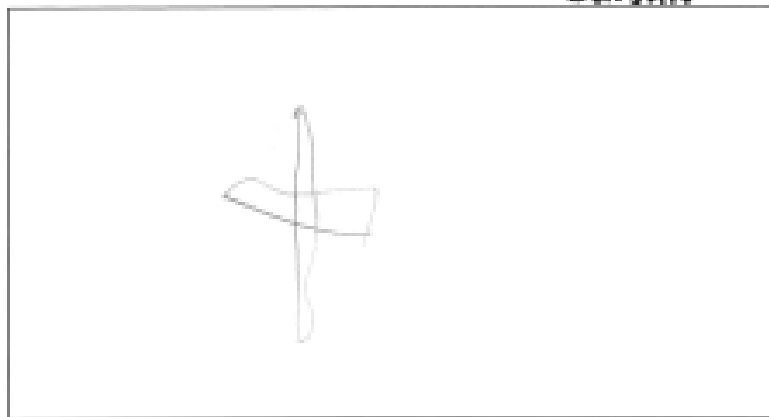

Pope Francis was a kind and
humble Pope.
He would wash the feet of
our people and pray with
them.
Our new Pope Leo is American.
He will do God's work teaching
peace and love to all.
and Bless you Pope Leo!

When pope Francis died, cardinals gathered to elect a new pope. It is tradition that black smoke means they are undecided.

The white smoke means that pope Leo XIV was chosen as leader of the catholic church.

Darshiv

Pope Francis will be remembered as a shepherd of mercy, a voice for the voiceless and care for creation.

Pope Leo XIV known for his wisdom, compassion and unwavering faith, he brings a steady voice to a world in need of unity.

Terrific Tennis! Who will win Wimbledon 2025?

Niri

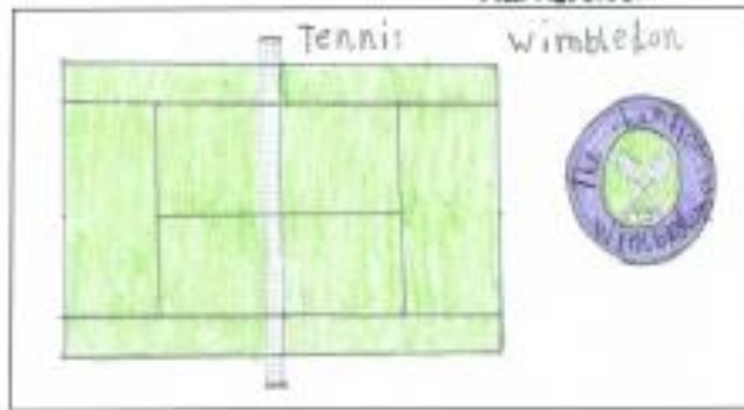

Wimbledon 2025 runs from June 30th to July 13th. Men's Favorites: Carlos Alcaraz (Defending champ), Jannik Sinner (World No 1) and Novak Djokovic (6 ft). Jack Drapeau is a strong British hope. Women's Favorites: Aryana Sabalenka (World No 1), Elena Rybakina (former champ), Coco Gauff and Barbora Krejčíková (reigning champ).

Jaxon

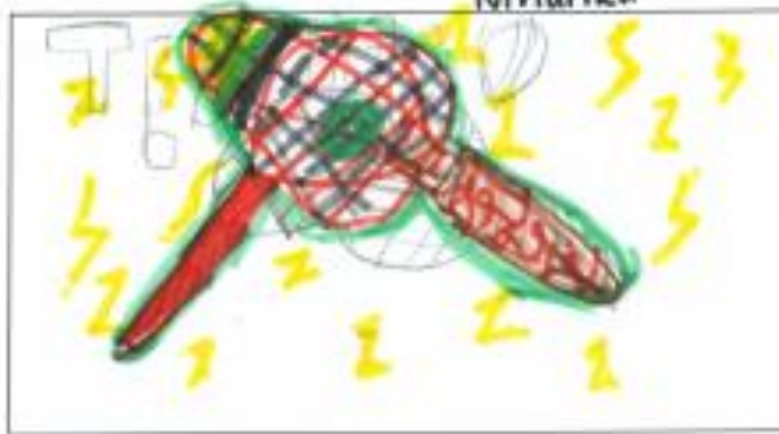

wimbledon championship will be held over 4 days. This year the British player Jack Drapeau and Maria Boulikas I would expect them to win.

Wimbledon is back! It's one of the most famous tennis tournaments in the world and this summer, the best players will battle it out in London. Every year thousands of fans come to watch amazing matches on the green grass courts. This year everyone is asking... who will be crowned the Wimbledon champion? Some fans think Carlos Alcaraz might win again here.

fast, strong, and super focused. Others are cheering for Jannik Sinner who's been playing great all year. In the women's matches many people are excited to watch Iga Swiatek and Coco Gauff. They are fast, clever, and love the game. Will they lift the shiny gold trophy? And don't forget there are doubles matches too. That's when two players team up to play together. No one knows for sure who will win Wimbledon 2025 but we know one thing: it's going to be exciting, fun, and full of amazing tennis!

Wimbledon is the most prestigious tennis tournament in the world. Held every summer in London, it's famous for its grass court, white dress code and rich traditions. Many of the greatest players like Roger Federer have made history.

you for all of our neighbors and for Mrs. Simon and thank you for all of the teachers in the whole school and thank you for all of my friends and family and thank you Jesus for all of our friends all over the world and thank you Jesus for all of our lives. Amen

Who will be crowned the winner?

By Ella Martin

Who is back again and I am so excited! It's one of the most special times.

There's in the world and it's happening this summer. The people were all there and hit the ball so fast!

I think Carlos Alcaraz might win again because he's super fast. Our next winner is very good too. For the girls I'm cheering for Iga Swiatek. She hits the ball super hard.

Coco Gauff is amazing too. I think it will be a big giant battle.

At Wimbledon they eat strawberries and cream (yum) and everyone gets very thirsty. I wish I could go and watch it. Real life because I know I'll be watching on tv with my family and Coco my dog.

Who do you think will win? Let's find out this summer.

Ronnie

Wimbledon is a tennis competition which
 lots of players from all over the world
 come. Alcott will probably win because
 he has won before. You know what
 Djokovic might win too because he has
 won lots of times before.
 It would be good if some British
 won the ladies trophy because it's from
 England, just like me.

The winner will get a big thing
 trophy, and maybe some money
 something like that.
