Strictly Come Dancing! Who will waltz their way to the Glitterball?

Pete and Lavita because
they are already
though to the semi final. and
they are better than
others because they
practise a lot.
Ruwan IS

Congratulations to Alice and
Siakia on winning the
Glitterball trophy.
We are feery proud of you and
your dancing LOVE IS.

Maudie

All the dancers on Strictly are brilliant but two dancers make magic with every dance step. In week 11 the dancers pleased the judges with a Mary Poppins show, they had the biggest score of 39 out of 40. Have you guessed who they are yet? It is JB and Laurence that will waltz their way to the glitterball and be crowned Strictly WINNERS!

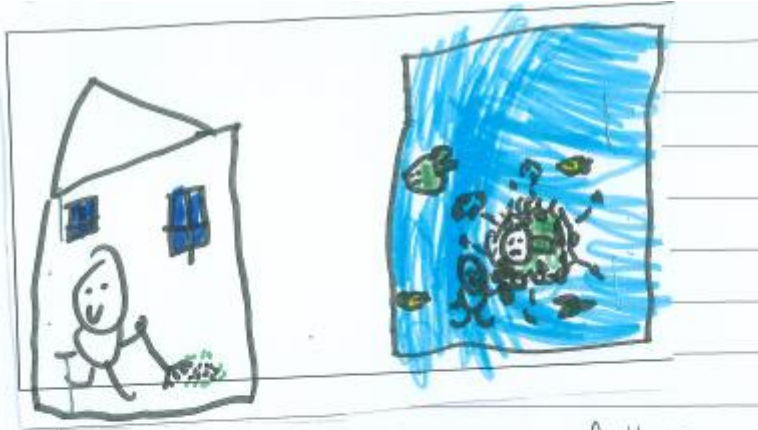

Jessiah

At St Helens everyone is practising their best dance moves at home. This practice is for the glitterball and everyone is so excited for this upcoming event in December. We can't wait for it and we will be overjoyed when we get to go to it. Year 1, can you wait... No we can't! What was that... Oh yes! OK go on Strictly keep dancing to the glitterball!

COP 29! How can we look after our planet?

Arthur

We can protect our planet by ~~not~~ putting trash on the floor and we have to stop putting things in the sea.

"We can have to stop driving to school because the cars are polluting."

We have to save poppy the poppy and Jesus. Jesus will be happy to me and he thinks in the respectfulest way in the world and even when I went to heaven Jesus gave me a big clap and I've been very careful because I told somebody to save all the things and trees and we have to ride electric cars so there's no pollution.

Don't throw litter in the ocean!
 It can hurt the fish and
 make the sea dirty.
 We can walk to school and
 drive less. No wasting paper.
 Everyone should recycle and do their
 bit.

Thomas

We can look after our world by not
 using too much paper to save trees
 and by not throwing rubbish in the
 sea because animals that live in the sea
 can die. It is important to protect
 our planet so that people can live a
 happy life.

I love my world!

Jessie

Our planet is very special because God created it for us. This is our home and we should look after it. However, our planet has a lot of problems like pollution and global warming. This is not good.

For our health and animals and plants. But there are many ways we can help our planet to get better. To make the air cleaner we can buy electric cars, cycle, take a bus or walk.

• If the air gets cleaner, our planet will be more beautiful.

Elizabeth class 2B

COP29 is about Saving our planet and the Environment. In Cop29 World Leaders meet to discuss how all the citizens of their countries can help to protect our world.

As responsible citizens we can make some changes in our daily lives such as, Reuse, Reduce, Recycle, Walking to school, Reducing the food we waste. We can also Reduce the use of fossil fuel and use more natural

Sources of energy such as sun for solar power, Water and wind to make clean energy. We can use electric cars, solar panels, heat pump to help saving the environment. We should stop using plastic and coal. We all can take part to save our planet by making small changes day by day.

Thank you

Prisha

<u>'Prayer Corner'</u>
Dear Lord ^{Hi} please look after
the people who are sick and in
need. we pray that they are
safe and happy Lord hear
us.
Maddie

'Prayer Corner'

Dear Lord,
at this special time of year, we
pray for all those in need.
please put a roof and walls over
people to give them shelter and
make homeless people have homes
so they are never homeless again.
please give food to people who
have none or are hungry and let
people who are fighting in wars have
peace. for those who are poor or struggling
for money, please help them find a
way to pay for things and take
away their worries. let people all over
the world know your love so they are
truly happy and are never alone. we
thank you God our father Amen

Rafael

'Prayer Corner'

Dear Lord
Help the people that are
poor. help the people that
do not have a home.
help the people that do
not have food and
water and help us to
be kind like Jesus.
As we get ready for
Christmas help us to
think of others and give
to the poor Amen.
