I think Hamza Yassin
will win the glitterball.
He was born in Sudan
and came to England
when he was 8. Hamza
gets lots of 10's and is
always top of the
scoreboard. Shirley
Ballas thinks he is the
one to beat.

Strictly come Dancing
is an amazing show!
The dancers create
stories. One show had
Ariel (a mermaid) in it.
The show has
different dances. The
judges give the scores
and tell how it is.
Hamza Yassin is my
favourite. He is
brilliant at dancing. He
scored 38 last week. I
think he is going to win.
All the best Hamza
Yassin!

Qatar 2022- Who will win the World Cup?

The football world cup is held every four years. This year it is held in Qatar. There are 32 teams taking part. It is the biggest competition in the world. My favourite team is Brazil because they ^{have} won first time. They also play beautiful football. Their best player is called Neymar. He has scored many goals.

Matthew 8

England Wins and Iran lost because England got 6 and Iran got 2.

Adam 9

Isabelle 9

This year for 2022 world cup will be in Qatar. This will be the first time the competition has been held during winter.

Brazil are favourite to win but I think England will win because they have Harry Kane and Declan Rice, the best striker and midfielder ever! Come on England!

There are 32 teams in the tournament who all have a chance to win. The best players in the world are there including Messi and Ronaldo. Brazil and France will be favourites but I think England are the best team. Wales are at the World Cup for the first time since 1958 so hopefully they do well. England last won the world cup in 1966 but with this squad football is coming home. COME ON ENGLAND!

In Qatar 32 teams from around the world are playing in the World Cup. This is a very important competition in football. Every team tries very hard to win the trophy and be the World Cup champions. France won the trophy last but I think England will win this World Cup. England have lots of great footballers and are from my home country.

He also plays for Tottenham who I support. England are in Group B and are already top of their group. Lets go England.

The 22nd FIFA World Cup is taking place in Qatar from 20th November to the 18th December 2022. It is the first World Cup to be held in the Arab world. There are 32 teams. All the teams are very good have the chance to win the world cup. I think England has a very good team and will win the world cup. In group stages, England played really well and they didn't lose any game. In pre quarter they won by 3-0. Now there is only 3 more rounds to lift their second world cup. It's coming home!

Advent is the time to prepare our
hearts for Christmas. Advent is four weeks
before Christmas. Churches mark
advent using calendars. The advent
wreath represents God's love.
There are five candles. The first candle
symbolises hope, the second faith, third joy, fourth
peace and lastly the Christ candle.
The last candle is lit on
Christmas Day.

Dear God, we look forward to celebrating Christmas and the arrival of your son, Jesus Christ. Each week as we light our Advent candles we will remember that Jesus is the light of the world. We will try to shine light on those who are less fortunate than us and those facing a difficult time this Christmas. May you shine your light upon them. Amen.
