Welcome to our 11th edition of the school newspaper. We cannot wait to show you all of the wonderful things that have happened at St. Helen's Catholic Infant School this term. Well done to all of the journalists who have written articles. We hope you enjoy it!

We are Artists! St. Helen's Art Week astounds all.

St Helen's School has captured peoples attention this week with their amazing artwork. Reception Y1 and Y2 have created wonderful art in the style of renowned artist Camille Wavaya. The artwork is so good it has everyone talking. We are artists!

This is X Walala - House of Dots: it has all type of shapes the entrance has a big arch in yellow. We can observe black dots on the wall. On the left there is a green plant, in the middle we can see shapes and there is pink art side and on the right there is a sketch.

Terrific Tennis! Who will win Wimbledon 2024?

Wimbledon is a tennis competition that takes place every year in June in London. The players are put in order as to who they think will win in a way called Seeding, Number 1 being the best and most likely to win.

Top mens' seeds are	Top ladies' seeds
1 Jannik Sinner	1 Iga Swiatek
2 Novak Djokovic	2 Coco Gauff
3 Carlos Alcaraz	3 Aryna Sabalenka

I think Novak Djokovic and Iga Swiatek will win Wimbledon.

Terrific Tennis! Who will win Wimbledon 2024?

WIMBLEDON

Wimbledon is a big tennis competition. Jannik Sinner and Carlos Alcaraz are the mens favourites to win. Aryna Sabalenka and Iga Swiatek are the favourite women to win. I like tennis because I like to hit the ball.

I think Novak Djokovic is going to win since he has won several times and is a strong opponent.

Thasvin

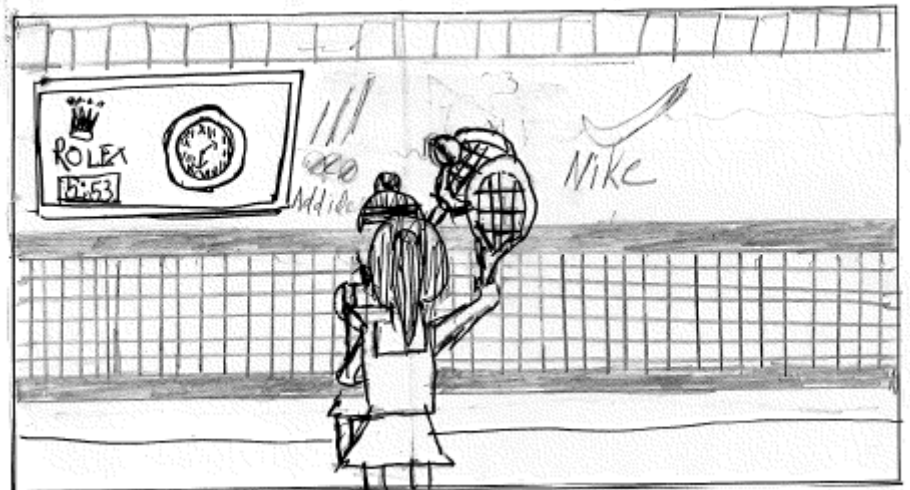

The Wimbledon tournament starts on Monday 1st July 2024 at 11:00 am and finishes on Sunday 14th July 2024. This year is going to be the 137th edition of the championships. Personally I don't really follow tennis but from what I have seen the favourite for men 2024 is Novak Djokovic and for the women 2024 is Aryna Sabalenka.

Edron 1B

Wimbledon 2024 is here!
 It is a big tennis
 tournament where the best
 players in the world try
 to win a shiny trophy.
 Watching tennis is fun
 because the players wear
 white clothes and play on
 green grass. I think the
 Winner will be someone who
 is very fast and can hit the
 ball really well!

Aaryan

Hephzibah

I strongly believe that Iga swiatek will
 reach and win Wimbledon 2024 grand slam this
 year as she already won the junior champion in
 2018. her current style and her strong control
 over the game have placed her at the top of
 the points table undeniably she is going to
 win the womens 2024 Wimbledon championship.

Euro's 2024, who will be crowned the winners?

Kavirudhra

The tournament hosted by Germany promises to be a showcase of Europe's finest football talent.

France head up the Euros 2024 as one of the top favourites.

Boasting a squad rich in talent and experience, they have players like Kylian Mbappé and Antoine Griezmann who can turn any game on its head.

England is another strong contender,

I think England will be crowned the Euro 2024 winners because they have some amazing players. My favourite is Bellingham because he is an amazing striker. I hope one day I can be like him.

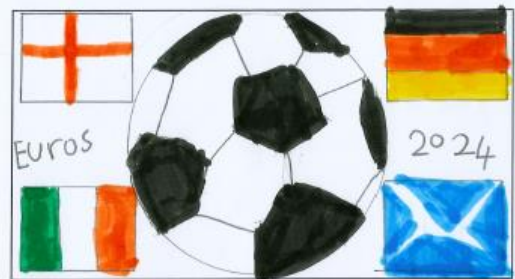

Kasey

With a squad brimming with top-tier talent,

players like Jude Bellingham, Harry Kane and Phil Foden have been in scintillating form.

As hosts Germany will enjoy the significant advantage of home support throughout the tournament. Under the guidance of Roberto Martínez, Portugal has the depth and quality to challenge any team, while France, England, Germany and Portugal are the primary favourites, other teams like Spain, Belgium and Italy are also have the potential to make a significant impact.

I think that England might win The Eurocup 2024.

The Euros kicked off on the 14th June 2024 in Germany! There are lots of different countries taking part: England, Scotland, France, Germany and Spain to name a few. Germany played against Scotland in the opening match and won 5-1 a very strong start for Germany. I would like England to be crowned the winner, but the favourites are France and Germany. Estelle

Group F

Euro 2024 is a football competition
with every 4 years to the top
24 teams in Europe. This
year Germany is hosting. The
euros are it runs from
the 16th June until the 16th July.
The teams are split into
6 groups who play each
other for the top two
teams of each group
they progress to the

knock out stages.
The favourites
to win are
England, France,
Germany, Spain and
Portugal. I really
hope that England
win the euros. I
want to watch all
these matches. I
think England is
going to win
because they have
got Harry Kane
on their side.

Leo

England are sure to be the next winners of the Euros.

They are the group winners with one win and two draws.

The England team are hard working and have got fascinating

skills. Bukayo Saka is a brilliant footballer and is in the left wing.

He is the team's star of Arsenal. Declan Rice is a midfielder and also plays for Arsenal.

Harry Kane is the team captain of England and one of the best strikers in the world.

Gareth Southgate is the England Manager and his amazing team will be the stars of the Euros.

• Euros 2024 Who will be crowned the winners?

I believe that England will win the Euros because they have Harry Kane and he is the best striker in the world. Jude Bellingham plays for Real Madrid and is their best player and they won the Champions League. I have the faith that Gareth Southgate will find the correct formation. We have a very strong sub bench to choose from.
